Dear Parents/Guardians of Fifth Grade Students:

Welcome to Oakland Mills Middle School. This letter will help guide you and your child through the selection process for 6th grade fine arts class. We encourage you and your child to have a conversation and make selections based on strengths and interests to ensure a successful transition to 6th grade. **Registration for these courses will be available online during the window of February 3, 2021 - February 15, 2021.**

**Middle School Fine Arts Curricular Options (Students are required to take fine arts each year. As space allows, students may be scheduled for more than one fine arts class, particularly courses that are offered as a quarter class.)**

**Art:** In this course students continue to develop their observational skills in order to inform their imagination and memory with a goal toward refining personal solutions to given visual arts problems. As well as presenting challenging and engaging open ended tasks, the problems presented are designed to include a variety of studio practices and media. Through the critical analysis and making of visual images students will make personal discoveries, which reflect their own experiences and ideas, their relation to their peers and family, and their place in the world. This grade 6 class is offered in one quarter.

---

**General Music:** General Music provides students with a deeper understanding of the language of music and how it relates to and impacts our lives and cultures through the study of four main strands: keyboard, guitar, world music drumming, and music technology. These disciplines are used to foster music literacy skills, develop critical and creative thinking skills, and strengthen communication and collaboration between students. Students are able to appreciate cultural differences through active involvement with diverse styles and genres of music. This grade 6 class is offered in one quarter.

**Music Performance Ensemble:** Ensemble options include **band, orchestra, or chorus**. Coursework focuses on individual instruments and vocal techniques in order to develop musical behaviors, creative thinking, and critical skills, both as individual musicians and in an ensemble setting. Students who are enrolled in band or orchestra will participate in music sectionals on a rotating schedule and after school performances as part of the class requirements. Each of these ensemble courses are full year courses.

**Theatre Arts:** In this course students begin to develop an understanding of acting techniques and strategies. Students will be presented with challenging and engaging open ended tasks, designed to instill confidence and promote communication and collaboration with peers. Through the study of theatre genres and crafts, students will make personal discoveries, which reflect their own experiences and ideas, their relation to their peers and family, and their place in the world. This grade 6 class is offered in one quarter.

### **Registration**

School staff will make every effort to schedule students for their top choices to the greatest extent possible. During the course selection process, parents will choose **one Selected Course Request** (i.e. the student's top choice), and **two Selected Alternate Course Requests** in priority order. We are asking for alternate course requests in the event of a scheduling conflict and/or availability in the schedule to take a second fine arts class. Students who are scheduled for an intervention may have fewer options

regarding participation. Additionally, particular courses may not be offered if enough interest is not shown through course selection.

To register for courses, parents must register online in HCPSS Connect. Directions for registering online are linked below or can be found at <https://www.hcpss.org/connect/guides/>. Included on this page is step-by-step video directions.

## [Online Course Requests – Rising 6th to 8th Grade Students](#)

For questions regarding scheduling, please contact our school counselors:  
 Ms. Bunkley (Student’s Last Name A-K) @ [janene\\_bunkley@hcpss.org](mailto:janene_bunkley@hcpss.org)  
 Ms. Scott (Student’s Last Name L-Z) @ [ellen\\_scott@hcpss.org](mailto:ellen_scott@hcpss.org)

Sincerely,

Allen Cosentino.

Principal

### **Middle School Schedule in Detail**

- The middle school schedule consists of seven periods. All students receive daily instruction aligned to Maryland’s College and Career-Ready Standards in English, mathematics, science, and social studies.
- Maryland regulations require:
  - All students to take Health Education, Physical Education, and a Fine Arts course every year.
  - Students to take Family and Consumer Science in 7<sup>th</sup> and 8<sup>th</sup> grade to receive the financial literacy information and Careers unit embedded within this course.
  - Students to take a technology course in middle school.
- Some students may also take:
  - Additional instruction in *Digital Citizenship*
  - GT Research or Seminars/Interventions in reading and/or mathematics.
